History of STAS

Founded in 1995

by brothers Rien and André Stas. With their experience in construction and an innate business instinct, they stormed the market with their smart picture hanging solutions. STAS supplies home owners, companies and renowned museums worldwide.

We would like to let you experience the freedom of dynamic wall decoration!

In recent years, STAS picture hanging systems has confirmed its status as the world's most innovative manufacturer of high-quality hanging systems time and time again. Numerous solutions have been specially developed by STAS to help you hang your pictures safely, flexibly and elegantly. STAS' leading position is underlined by the fact that it supplies to the most prestigious museums, galleries, universities and government bodies worldwide. However, STAS also offers excellent, tailored solutions for the complete range of picture hanging applications in the home. STAS headquarter is located in Eindhoven, Noord Brabant.

STAS minirail

STAS minirail is characterised by its **extremely slim**, narrow design and innovative mounting method.

The rail itself is just 16 mm in height, yet it can carry up to 25 kg per metre. Thanks to an innovative screw, the STAS clipscrew, the rail can easily be fixed to the wall.
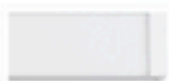

STAS minirail is perfect for creating an elegant, unobstrusive hanging system for light to medium weight objects.

STAS easy to install

1. Mount the picture rail on your wall or ceiling.
This is the last drilling you'll need to do.

2. Hook the cord into the rail
at any spot you'd like to hang an object.

3. Slide the picture hook over the cord
to the height your desire. Hang your object and you are done!
